

AUDIO, VIDEO, LIGHTING, ACOUSTICS, DESIGN, INSTALL, SERVICE, TRAINING

TECHNICAL SUPPORT FOR *SUCCESSFUL COMMUNICATIONS*

Artech Communications Inc. is a professional audio, video, lighting, and music equipment supplier. We offer a comprehensive range of goods and services, product sales and installations, equipment rentals, and full event productions.

We have served thousands of clients with different communication needs throughout Ontario and various parts of Canada. Each solution we have implemented is custom designed for our clients by our professional planning team.

INSTALLATION SERVICES

- Comprehensive design and planning for audio, video, lighting, staging, acoustic, and security systems
- Fabrication, equipment installation, and training

PRODUCTION SERVICES

- Production planning, budgeting, and implementation of conferences, concerts, gala events, tradeshow, and theatrical productions
- Equipment rental and technical support
- Multi-media and video production services

SALES, SERVICE, REPAIR, AND TRAINING

- Sales and service of over 200 brands of "best-in-class" equipment: audio, video, lighting, broadcast, and display
- Repairs and rentals
- Training and technical support

In developing your solution, we consider your need for high quality equipment, efficient execution, and excellent results. We truly appreciate the opportunity to serve you.

We are an authorized dealer for many quality brands including:
